Minutes from Quarterly Business Meeting, April 20, 2019, were approved as submitted.

Reports from the field:

- Fruitage highlights were shared by workers present
- Coordinator summarized work at R.J.C.
- Sue Anderson, from Bainbridge Island, reported on continuing work at Clallam Bay. One innate there has joined The Mother Church.
- Brent Hirschman gave a report about the institutional meeting held at The Mother Church, which he attended. He encouraged everyone to watch at least the first half hour of the meeting. See the link at the end of these minutes, He also wanted each representative and each church to know how important their support was.

No correspondence but the Secretary shared address and phone number of Mary Hooper’s sister, Bev Kelly (1821 138th Place, SE, Bellevue, WA 98005). Mary passed on recently. A card for Bev was signed by several reps and workers and will be sent to her.

No old business

New business:

A motion was made at the request of Sue Anderson (and seconded and passed) to have a discussion (with no vote) on the subject of enlarging the area committee to include at least three churches on or near the Olympic Peninsula. Members of these churches are already working at institutions. It was mentioned that we would need to be sure that these churches wanted to join the Area Committee and would be willing to come to meetings or attend electronically. All Bylaws that mentioned the name of the Committee would need to be updated, and a new coordinator would need to be appointed to serve the institutions that would be added.

A second motion was also seconded and passed that our Secretary communicate with all the reps of the Area Committee to ask if any of them would be interested in supporting [spearheading] the idea of enlarging this Committee to include churches in Western Washington that are not currently part of this Committee. This paragraph carries out this motion.

Meeting adjourned at 12:03.
